

Confirmation of suitability for studying at Friedrich-Alexander-Universität

If you have previously studied the degree programme for which you are applying for enrolment at FAU Erlangen–Nürnberg at another public or state-recognized higher education institution in Germany, please have the following certificate confirmed by your former institution and submit it together with your enrolment documents to the Student Records Office at FAU Erlangen – Nürnberg.

We require this certificate because the University must refuse enrolment if you have definitively failed an examination in the chosen or a related degree programme at a public or state-recognized higher education institution in Germany.
